Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

As last year, prior to submitting 2012-13 data, a district's NSSRS Data Manager **District Approve** user must indicate understanding of data rediscovery requirements, which require NDE to make data submitted available to Nebraska postsecondary institutions (Neb. Rev. Stat. Section 79-776), and to other districts where a student intends to enroll*. This **splash screen** is the notification required under the Family Educational Rights and Privacy Act (FERPA). FERPA requires advance notification and development of the new P-16 data system continues.

The District Approve (district administrator) user indicates understanding by clicking the **I Understand** button prior to any submissions. Other users of NSSRS Data Manager will only be presented with the option to click the **Close this Window** button. All users will be presented with a notice of data rediscovery the first time logging into NSSRS Data Manager each day and must click the **I Understand** button in order to gain access to this system.

NCLB Qualified and Student Grades

2011-2012 School Year - Make Corrections August 23 – October 15

Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

Beginning in 2011-2012, data to determine a teacher's NCLB status is being extracted from the Student Grades template. Please be sure ALL teachers have been included on a Student Grades template, as there are numerous staff members appearing as **No course or student grades data reported**. In doing some review of the Student Grades data, it appears that some Student Grades data was reported at the wrong location (i.e. all Student Grades Templates had location 001 rather than the appropriate location) and is therefore not matching up to the teacher's assignment. Please review the **NCLB Non-Qualified Verification Report** located in NSSRS Validation-Verification Reports (Staff) and make the necessary corrections between August 23 and October 15. Not doing so will affect your district's NCLB Qualified status percentages for 2011-2012, as well as the statewide data. This data will be displayed on the 2011-2012 State of the Schools Report

If HOUSSE forms are needed, submit by October 15. The HOUSSE form and instructions can be found at: <http://www.education.ne.gov/federalprograms/Title%2011.html#NCLBTeacherForms>
Please contact Pat Madsen (402-471-4863 or pat.madsen@nebraska.gov) if you have questions.

Teachers Assigned Out of Endorsed Area or Level

2011-2012 School Year - Make Corrections August 23 – October 15

Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

Beginning in 2011-2012, data to determine if a teacher is endorsed or not endorsed is being extracted from the Student Grades and the Student Templates. This data will not be used for meeting Rule 10 but is available for your review and for review by Approval and Accreditation staff. Please review and if necessary make appropriate changes to the Student Grades template. Remember, staff that are monitoring distance learning courses or web-based courses will show on this report, this will be resolved in 2012-2013 with an addition to the Student Grades template.
